FOR IMMEDIATE RELEASE

SMART CARDS FOR EDUCATION ON SALE AUGUST 27TH
THROUGH SEPTEMBER 10TH

“2020 has been an unprecedented year, providing challenges to every aspect of society. Many businesses are simply trying to survive, political influence shifts in all directions, and even our educational system is forced to deal with many unknowns about what tomorrow may hold,” Gary Heath, coordinator for the Partners for Kids coupon book project, stated.

“After 30 years, we will not be doing the coupon book program this year. However, many schools will be offering the Smart Card for Education in order to fund various important projects.”

The Smart Card for Education is a colorful credit-card size discount card that is reusable throughout the school year. It includes discounts from twenty of our area’s favorite locations. The Smart Card for Education is available from participating schools beginning August 27th and running through September 10th or while supplies last.

You can help support participating schools and pick up a Smart Card for Education at any of the following locations: Alcoa High School, Carpenters Middle School, Eagleton Middle School, Fairview Elementary School, Foothills Elementary School, Friendsville Elementary School, Mary Blount Elementary School, Maryville Christian School, Middlesettlements Elementary School, Montvale Elementary School, Union Grove Elementary School, Union Grove Middle School, Walland Elementary School.
